

**NOTICE OF PUBLIC HEARING
KENTUCKY DIVISION FOR AIR QUALITY
KENTUCKY STATE IMPLEMENTATION PLAN REVISIONS
PROPOSED AIR QUALITY REGULATIONS**

The Kentucky Environmental and Public Protection Cabinet will conduct a public hearing on September 25, 2006, at 10:00 a.m. (ET) in the Conference Room of the Division for Air Quality, 803 Schenkel Lane, Frankfort, Kentucky. This hearing will be held to receive comments on three proposed new regulations to address the federally mandated Clean Air Interstate Rule (CAIR) and the associated revisions to the Kentucky State Implementation Plan.

401 KAR 51:210.	CAIR NO_x annual trading program.
401 KAR 51:220.	CAIR NO_x ozone season trading program.
401 KAR 51:230.	CAIR SO₂ trading program.

401 KAR 51:210 and 401 KAR 51:220 are proposed to control nitrogen oxides (NO_x) emissions from affected electric generating units having a nameplate capacity of more than 25 MWe producing electricity for sale. 401 KAR 51:220 will also include non-EGU sources with previous requirements under the NO_x SIP Call. Owners and operators of sources subject to these regulations will be required to possess allowances for the tons of emissions of NO_x for each required control period.

401 KAR 51:230 is proposed to control emissions of sulfur dioxide (SO₂) from affected electric generating units (EGUs) having a nameplate capacity of more than 25 MWe producing electricity for sale. Owners and operators of sources subject to this regulation will be required to possess allocations for tons of SO₂ for the subject control period.

This hearing is open to the public and all interested persons will be given the opportunity to present testimony. To assure that all comments are accurately recorded, the Division requests that oral comments presented at the hearing are also provided in written form, if possible. Written comments must be received by October 2, 2006, to be considered part of the hearing record. The Environmental and Public Protection Cabinet does not discriminate on the basis of race, color, national origin, sex, age, religion, or disability and provides, upon request, reasonable accommodation including auxiliary aids and services necessary to afford an individual with a disability an equal opportunity to participate in all services, programs, and activities.

The full text of the SIP submittal and the proposed regulations is available for public inspection and copying during regular business hours (8:00 a.m. to 4:30 p.m., ET) at the locations listed below. Any individual requiring copies may submit a request to the Division for Air Quality in writing, by telephone, by FAX, or e-mail. Requests for copies should be directed to a contact person. In addition, an electronic version of the complete proposed SIP revision can be downloaded at: http://www.air.ky.gov/homepage_repository/Public+Hearings.htm. The proposed regulations can be accessed at: <http://www.lrc.state.ky.us/KAR/TITLE401.htm>.
